

Herlong Airport Safety Day - Jacksonville, FL

Join us for our last Jacksonville area safety meeting of the year at the Herlong airport. FAASTeam Reps from Craig, Cecil, and Herlong airports along with other speakers, will be conducting briefings between 10am and 4pm on flight planning, cross-country procedures, airspace review, and airworthiness responsibilities. We will also be conducting a Wright Brothers Master Pilot award ceremony.

Directions: Meeting will be held in the Herlong FBO Hangar 5. If driving, please use parking lot next to FBO. If flying in, lineman will assist you in parking at the FBO.

A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
